It's all about a great experience

Aurora Digital Agency was born from the want to improve and uplift the living standards of business owners in a cut throat environment.

Backed by several years of design, development, and marketing experience, a small but dedicated team, based in sunny Nelspruit (Mbombela) South Africa have been pursuing this vision to create word class websites.

Website

We don't like to brag, but...

We're proud to have won the Nedbank Business Goals Competition in 2021. Awarded to business that has a solid business plan in place and who shows exceptional growth.

We are Aurora.

We cultivate a diverse and accepting environment where everyone can speak their mind, express their individuality and be the best version of themselves.

Honesty

Honesty is always the best policy. No ifs, no buts, no maybes. It's as easy as that.

Quality

We really do believe that quality above quantity prevails. You get what you pay for and with us you pay for only the best.

People

The lives and success of the people in and around us means more than a quick buck at the end of the day.

Our directors

Peet Mocke
